

Shaarei Tefillah 2015 FOST Form

Thank you for your past support of Shaarei Tefillah, both financially and by attending Shiurim and Davening with us. Although we understand that each person would like to contribute in their own way, at this time we are asking for a minimum contribution of \$800 (same as in 2014) per family.

Payment of FOST to the Shaarei Library is tax deductible.

The FOST contribution is a major source of funds for Shaarei Tefillah. We have not increased the minimum from last year; we therefore would greatly appreciate donations in excess of the \$800 per family so that we can continue to improve the educational programs and facilities for both children and adults.

Please send this form in by 13th February 2015, so we can plan for the year.
