

Shaarei Tefillah 2016 FOST Form

Thank you for your past support of the Shaarei Tefillah Library and Shule, both financially and by attending Shiurim and Davening with us. Each year we raise funds to continue the current programs we run as well as expand what we can offer. This fundraising is through becoming a friend of Shaarei Tefillah including the library and congregation.

Shaarei has three main costs which include our Rabbi and support staff; maintenance and utilities as well as food for Shabbos and during the week. We rely solely on your support for all of these costs.

The programs that Shaarei runs can be divided into two main categories:

1. **Education:** Recently we announced that Rabbi Schreck has joined Shaarei as the Head of Education. This is an exciting appointment which offers all of us a great opportunity. In order for Rabbi Schreck to support Rabbi Berlin and to build up a strong learning program in the Beis Midrash we need your support. New shiurim have already started and many more are planned.
2. **Shaarei Youth:** Lead by Boruch and Michal Chalk, Shaarei Youth has expanded to include both boys and girls. This year the goal is to ensure that there are just as many programs across both groups of kids as well as other new and exciting programs.

We want to offer more and more programs, shiurim and opportunities but need your help.

Although we understand that each person would like to contribute in their own way, at this time we are asking for a minimum contribution of \$800 (same as in 2014 and 2015) per family. **Payment of FOST is tax deductible when made through the library.**

The FOST contribution is a major source of funds for Shaarei Tefillah. We have not increased the minimum for the past few years and therefore would greatly appreciate donations in excess of the \$800 per family so that we can continue to improve the educational programs and facilities for both children and adults.
