Something for the Shabbos table

Yosef is in Mitzraim and is in charge of the household of Potifar. The Torah testifies: Vayehi Hashem Es Yosef Vayehi Ish Matzliach, "And Hashem was with Yosef and he was a prosperous man."

The Chofetz Chaim makes a very interesting observation. When we say the Tefillah for the new month we repeat one particular phrase. Twice we ask for Yiras Shomayim, fear of Heaven. No other request is repeated. His explanation for this is that in between these two times we have a request for Osher v'Kovod, wealth and honour.

He makes the observation that it is often the nature of people who attain the position of wealth or honour to draw away from closeness to Hashem. We, therefore, ask again for Yiras Shamoyim implying that even if our prayer for wealth and honour be granted we still want Hashem to help us maintain our close contact with Him.

This is what the Torah testifies about Yosef. Even though he was prosperous, Hashem was still with him. He never lost his Yiras Shamoyim.

Daf HaYomi - We will be starting Bava Metziya 90a on Sunday
