

Erev Shabbos Parshas Ki Sisa

IMPORTANT UPDATE

In the light of the situation within the community regarding the Coronavirus, for the protection and well-being of our community, we reluctantly ask that only our regular Mispallelim attend Shaarei Tefillah for Minyonim and Shiurim until further notice.

Please respect this request.

We also request that anyone who has been deemed a casual contact or anyone who is unwell and showing cold or flu symptoms please to stay at home.

We will continue to update our Kehillah as the situation develops.

Thank you for your understanding

Rabbi Arie Berlin
